We at Umnyamalkhaya are very excited to offer you our exciting 30m2 off-the-grid pod homes at R399 000 for the 1 bed and R399 000 for the 2 bed configuration. All our homes are manufactured at our factory just outside of Cape Town and is inclusive of full inventory & transport to site anywhere in South Africa. Price excludes foundation. We offer to re-sell your container home at completion if you are not entirely satisfied. It is on condition that you inform us before it leaves our factory. This service available to you at no cost.

As we are a manufacturer only, we utilize the services of a registered builder for foundation purposes. Council and government has officially accepted our alternative building method and assures us of a 14 – 28 day approval period once site plans submitted. We can assist to expedite process, but at client cost.
